COUNTY MATERIALS CORPORATION
www.countymaterials.com

Dear Friends,

Often, you don't have the opportunity to hear from funding recipients about the positive impact your monetary gifts are making on their organization and the people they serve. We are very proud to partner with generous sponsors and supporters in our industry who make this change possible. We are also thankful for your contributions and the trust you place in our Foundation to put your gifts to work in local communities where County Materials has locations.

Frank Capra, director of the classic film *It's a Wonderful Life*, once said, "Play has been man's most useful preoccupation." He would have smiled to see how a simple game of golf sponsored by County Materials and our philanthropic arm, the Sonnentag Foundation, is contributing to improving the lives of thousands of disadvantaged individuals.

The pages of this book are filled with more details about the ways your gifts are making a real and lasting difference on peoples' lives. None of this would be possible without you.

Thank you!

COUNTY MATERIALS
2015 Annual Charity Golf Outing

County Materials' Annual Charity Golf Outing to support charities funded by the

Sonnentag Foundation Ltd

Charity Golf Outings

Since we began hosting a charity golf outing in 2007, the Sonnentag Foundation has donated more than $465,650 to worthwhile community programs and charitable organizations.

Last year, County Materials' outing took place September 8th, 2014. More than $104,500 was raised by the event and distributed to 15 charitable organizations in locations where County Materials has facilities. These organizations include 12 Wisconsin and Illinois chapters of Big Brothers Big Sisters; Easter Seals Wisconsin; the Women's Community of Wausau, WI; and Lake Cares Food Pantry in Mount Dora, FL. Because of your contributions in 2014, the Sonnentag Foundation was able to help support well over 27,000 disadvantaged individuals and their families!

We are excited to share how these funds are being used to make a very real difference for children, families and people in the communities where County Materials has locations.

Sonnentag Foundation Charity Golf Outing Fundraising Progress:

Year	Contributions
2015	$128,000*
2014	$104,500
2013	$91,650
2012	$76,000
2011	$71,500
2010	$70,000
2009	$25,000
2008	$16,000
2007	$11,000

*(*Approximate total at time of printing)*

Big Brothers Big

The BBBS program matches at-risk children with mentors in the community. Children participating in the program consistently show a reduction in risky behaviors, delinquency and truancy. They also show significant improvements in academic success, self-esteem, and emotional stability. In addition, these children are more likely than their peers to attend a four year college and to "pay it forward" by volunteering in their communities once they reach adulthood.

As the premier mentoring organization, each chapter of Big Brothers Big Sisters works to fulfill a shared mission of providing children facing adversity with strong and enduring, professionally supported one-to-one mentor relationships that change their lives for the better. Combined, the 12 chapters supported by the Sonnentag Foundation in 2014 made a positive impact on more than 4,300 "Littles", ages 6 through 18, in communities across the country.

Easter Seals Wisconsin

Easter Seals Wisconsin, in Madison, is using Charity Golf Outing contributions to fund their Wisconsin Elks/Easter Seals Respite Camp and Camp Wawbeek in Wisconsin Dells. These programs help to increase independence, maximize opportunities, minimize barriers, and enhance the quality of life for people with disabilities in Wisconsin.

Since 1938, Camp Wawbeek has been fostering lifelong friendships and helping to create year-round social support for children and adults with physical and cognitive disabilities. It's the oldest continually-operating Easter Seals camp in the U.S. While campers challenge themselves in the barrier-free environment, parents and caregivers can enjoy a break from caring for their loved one to recharge.

Caring for a child with a severe or complex disability who requires around the clock care can be stressful. The break from caregiving provided by the Respite Camp is of vital importance. Respite sessions are offered year-round, including speciality sessions for campers with Asperger Syndrome or other high-functioning autism.

Veterans Family Weekends are also held at Camp Wawbeek focusing on family togetherness, fun and accessible outdoor recreation. Along with sports, games, fishing and challenging ropes courses, veterans and their familes particiate in group sessions to discuss common issues and share resources.

Easter Seals Wisconsin continues to advocate for children, adults and families that struggle with the challenges of disabilities and deliver life changing solutions and experiences for them. Camp Wawbeek and Respite Camp served record numbers of campers in the past year. Nearly 816 children and adults with severe disabilities were served by their Respite Program, and 1,280 campers enjoyed Camp Wawbeek.

County Materials' Helps Build Pool for Easter Seals Camp Wawbeek

Hundreds of children and adults with disabilities are enjoying the benefits of a state-of-the-art therapeutic swimming pool that was funded in part to a donation from the Sonnentag Foundation. The Foundation's monetary donation allowed Easter Seals Wisconsin to obtain 154 yards of ready mix concrete from County Materials for the construction of the new 2,524 sq ft outdoor pool at Easter Seals' Camp Wawbeek in Wisconsin Dells. Extra material was used to build the pool deck and/or surrounding structure.

"The pool is a highlight of the camp experience for most of the campers. It allows people with disabilities to have a freedom they can't experience in any other way," says Easter Seals President and CEO Christine Fessler. She adds that the water is highly therapeutic for many of the campers, including those with autism. "It has both stimulating and calming qualities. If you were to poll the campers, I think you'd overwhelmingly find that it is their favorite activity."

The new pool replaced the original camp pool, built in 1959. The upgraded facility includes a number of features specifically designed to meet the needs of campers with disabilities. One of these is a zero-entry incline, which will enable many campers to access the pool without assistance. A lift access is available, along with basketball hoops, a cascading fountain, and built-in benches that allow campers to rest and socialize in the water.

The pool was completed in mid-May, 2014 in plenty of time to accommodate the first wave of campers arriving for summer camp sessions in early June 2014.

Camp Wawbeek's new pool was officially dedicated on July 17, 2014, with the help of numerous campers, counselors and others who helped make the project a success!

Camp Wawbeek

The Women's Community, Inc.

The Women's Community located in Wausau, Wisconsin, is a non-profit organization serving victims of domestic abuse and sexual assault throughout Marathon County. The organization is using Sonnentag Foundation contributions to support a variety of services, including shelter, food and clothing assistance, counseling, advocacy, and support group facilitation. In 2014, the organization helped 1,598 individuals, the majority of which are women and children.

The center offers a place of shelter for victims of domestic and sexual abuse while they make the transition to a life free of violence. Not only are people provided with food, transportation, clothing and other immediate basic needs, but they receive assistance in creating safety plans, learning how to plan escape routes and identifying safe places in their community. Their confidential phone support answers calls by trained volunteers and staff — 24 hours every day.

Children are deeply affected by abuse and sexual assault — whether they are the direct victims or not. Their support groups, counseling and advocacy helps children who are victims of, or live in a family affected by, domestic abuse and sexual assault.

THE WOMEN'S COMMUNITY, INC.
"A Tradition of Serving Families" Since 1978

www.womenscommunity.org

The experienced staff and volunteers also help people find the community resources to get started on a job search, from resume writing, gathering references, practicing successful interview skills, and gathering clothing for interviews.

Marathon County, WI

Lake Cares Food Pantry

Lake Cares Food Pantry is located in Mount Dora, Florida. It has established itself as a strategic resource to support the needs of hungry families hit by unforeseen and unfortunate circumstances. The organization also provides resources and support to the elderly and disabled. Since opening its doors in 2008, Lake Cares has seen a dramatic increase in the number of clients they serve. Sonnentag Foundation contributions have helped the organization move from assisting an average of 15 to 20 families to 130 families per week.

With 140 active volunteers, Lake Cares now serves more than 7,000 pounds of food a month to approximately 800 families. Last year, they fed more than 19,000 people and distributed over 260,000 pounds of food. This year, they expect to feed over 30,000 people. Their efforts are aimed at helping clients keep their sense of dignity because anyone may need help when circumstances change.

Lake Cares is more than a food pantry; they also offer a variety of support services to clients, including:

- *Education about food*
- *Budgeting assistance*
- *Counseling*
- *Support with earning a GED*
- *English for Speakers of Other Languages (ESOL) classes*
- *Possible emergency assistance*
- *Organic Buyers Club*
- *Notary Public assistance*

Changing Lives and Communities Through Education

The Sonnentag Foundation is a strong advocate for continuing education. Our goal is to inspire the next generation and encourage young people who want to pursue studies and careers, especially in the construction and landscape industry. We believe scholarships are not only helping to change the lives of deserving students and their families, but also local communities by investing in our future workforce, entreprenuers and leaders. The Sonnentag Foundation established our scholarship program in 2000 specifically to assist children of County Materials' (Central Processing) employees who plan to continue their education in college. Students can apply for one $1,500 scholarship for full-time study at an accredited institution and in a field of study of the student's choice. Since its inception, nearly $221,000 in scholarships have been awarded. The program supports a wide range of educational options, including vocational and technical training, and associate and bachelor's degrees.

Giving Back to Communities

The Sonnentag Foundation's philanthropic interests are strategically focused on supporting programs and projects that empower and inspire people.

Preference is given to regional construction and landscape oriented projects that serve the broader community in locations where County Materials has major facilities. The following are just a few examples of the many local and regional community projects our Foundation frequently supports:

- Habitat for Humanity homes
- Youth baseball/softball dugouts and structures
- Community gardens and walking trails
- Masonry apprenticeship and building trades courses
- Veteran monuments
- Playground sand
- Park and recreation landscape materials

Students participating in the High School Masonry Program (HSMP) look on as an instructor prepares materials for a hands-on experience involving masonry installation techniques.

Ways to Give

Make an impact on people's lives in local communities. 100 percent of your gift goes to support the organizations funded by the Sonnentag Foundation.

Contributions to the Sonnentag Foundation (TIN 39-1597420) are tax deductible as charitable nonprofit contributions under code section 501(c) (3) of the Internal Revenue Code.
